Improvements

Subject : Letter of Recommendation

I would like to thank KASA Construction for a job well done. When the job was awarded, the Agency was a little concerned due to the fact that KASA was a rather new company. Now that the job is done, you have far surpassed the commits initially made and in-turn, the City of Rosemead has received an exceptional finished project. Not only was the quality of work outstanding, the project was completed before schedule and under budget.

The project was constructed on a main city artery which exposed the work to potential political criticism. Fortunately, City Council, Staff, and the Community had nothing but positive comments. I truly hope you win more project with the City of Rosemead as it has been a pleasure working with KASA Construction.

Sincerely,

Rafael Fajardo
